ISBN-13: 978-1401231156

Product Dimensions: 6.6 x 0.3 x 10.2 inches

Shipping Weight: 10.4 ounces (View shipping rates and policies)

Average Customer Review: 4.8 out of 5 starsÂ  See all reviewsÂ  (71 customer reviews)

Best Sellers Rank: #9,095 in Books (See Top 100 in Books) #40 inÂ  Books > Comics & Graphic Novels > Publishers > DC #66 inÂ  Books > Comics & Graphic Novels > Graphic Novels > Superheroes #3156 inÂ  Books > Science Fiction & Fantasy

## Customer Reviews

Most of the characters that appeared in Batman: The Animated Series were taken from Batman's long history in comic books. But one of the most popular, Harley Quinn, was created specifically for the show. So it was something of an event when Dini and Timm decided it was time to bring Harley off of the screen and into print for the first time. The result was *Mad Love*, which tells how an ambitious young psychiatrist falls in love with the Joker and turns to a life of crime. The story not only tells Harley's origin, but also covers her attempt to eliminate what she thinks is the one obstacle to a long and happy life with "Mistah J" by killing the Batman. I have to admit that I prefer Harley in her original TV form to seeing her in the comics. The reason, quite simply, is that her bombastic personality and high energy persona can never come across to their fullest extent in a series of static images and word balloons. Does that mean that *Mad Love* is a failure? Not hardly. The essence of both Harley and the Joker are on full display here and Batman is the third leg of their not-quite-romantic triangle. Dini and Timm spent years on B:TAS proving that they understand the Batman mythos as well as anyone and better than most and that knowledge is put to good use here.

with spot-on characterizations and a story that balances humor with tension, and never fails to entertain. In addition to *Mad Love*, there are a number of other stories culled from the *Batman Adventures* comic. One highlight is *Jolly Ol' St. Nicholas* which shows Harvey Bullock undercover as a department store Santa Claus. It's a classic comedy that also spotlights the Barbara Gordon version of Batgirl. The other standout is *Two of a Kind*.
