Immediately picked this up when it was first available. The truths uncovered in Mr. Henderson's book, "Operating in the Courts of Heaven" was life changing. This book continues on in the same manner and expands on your personal book and unlocking your destiny in the Court of Heaven. His knowledge of scripture and how the judicial system of Heaven works is a game changer. Once

again, it will be a book that is highly recommended to family, friends and anyone else I can tell.

I read book 1 before reading this book. This book is excellent and has practical suggestions and advice and wisdom about unlocking our Destinies and interceding for others to help unlock their destinies. I agree that many people live a life that is unfulfilling and even boring having the sense that they could be doing so much more or making such a difference. I read many books and this is one of the most important books I have ever read. I highly recommend this book.

These are life transforming truths! I am a former pastor. I backslid for many years because I had no idea how to get free from the fleshly and demonic chains that held me captive. Just days into reading this book my life has shifted back into alignment with the Lord of Lords to the degree that I KNOW my future will finally be walked out according to His chosen purpose for me. I can hear the Lord more clearly than ever before, and I truly believe the best for the Body of Christ is yet to come! We must get this message out there! If you are an intercessor, this book will put you in the driver's seat! The teaching about overcoming the evil powers over cities, states and nations will definitely be a game changer. These revelations show us how to usher in the revival and awakening we are soon to see!"To the intent that now the manifold wisdom of God might be made known by the church to the principalities and powers in the heavenly places."Ephesians 3:10Do yourself and your Church a great service. Recommend both of Robert Henderson's books to every Christian you know, especially backsliders. If they are ready for this teaching, they will "go out with joy, and be led forth in peace. As they come, the mountains and hills will burst out into song, and all the trees in the field will clap their hands. Isaiah 55:12

I am so blessed by this book by Robert Henderson: Here are realistic Biblical principles that position us into effective prayer action based on a Biblical worldview. We cannot win the battle without following divine principles.(The photo shows Robert Henderson and myself at the Norwegian Parliament in Oslo during his recent visit here.)---Jan-Aage Torp, Director of European Apostolic Leaders (EAL)[...].

Excellent read! Would recommend it to anyone in the Body of Christ who might think that they are not getting everything God has ordained for them in the beginning!

It was an informative book. It's always a battle over our destinies. Robert is very knowledgeable

aboutThe Courts of Heaven and I would recommend this book!
