Engaging With Barth: Contemporary Evangelical Critiques

Synopsis

This volume aims to engage with Karl Barth's questions and answers on a range of topics vital to Christian theology. Specifically, whether by going beyond, behind or against Barth, the chapters presented here attempt to provide a contemporary orientation to certain aspects of Barth's theology that can be deemed problematic from the standpoint of historic, confessional evangelicalism. Why engage with Barth? And why the particular approach of this book? The answer to the first question is that Barth's significance as arguably the greatest theologian of the twentieth century - increasingly being recognized in an ongoing renaissance of international Barth scholarship - means that Barth provides both opportunity and challenge for evangelicalism. There is renewed interest in the question of how evangelicals should or should not appropriate Barth. Given the sheer diversity within worldwide evangelicalism, a consensus is unlikely to be reached. Be that as it may, in a range of areas, evangelical theology stands to gain from careful and critical listening to what Barth has to say.

Book Information

Paperback: 408 pages

Publisher: Bloomsbury T&T Clark; 1 edition (March 1, 2009)

Language: English

ISBN-10: 0567442969

ISBN-13: 978-0567442963

Product Dimensions: 6.1 x 1.1 x 9.1 inches

Shipping Weight: 1.5 pounds

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (2 customer reviews)

Customer Reviews

Somewhat fair engagement with Barth's thought, though there is a clear bias is present. Ultimately students of Barth's thought will find that he is treated carefully and engaged thoughtfully, though the conclusions of the contributors will likely be unsatisfactory. The essays were mostly unconvincing, but to their credit the contributors treated Barth with the respect he deserves.

More evangelism critique of the Barth oeuvre, with the courtesy of clarity. Along the way, passing concentration of Barth's early actualize raises intriguing insights into resetting forward motion into the CD's lost emphasis on effort.
