Henry & Glenn Forever & Ever

Synopsis

Two men. Two myths. One legend. The greatest love story ever told has finally been released in graphic novel form, featuring 20 short stories about the domestic life of "Henry" and "Glenn" and sometimes their neighbors "Daryl" and "John." Glenn deals with issues with his mother while Henry, "a loud guy with a good work ethic," shows his darker side and indifference to a fan as he drinks black coffee and bonds with Glenn over their distaste for their own bands. These are two men who truly suffer best together. The book collects four serialized comics, adds 100 never-before published pages, including new stories, pin up art, and full color covers from the original series.

Hilarious. Funny. Eh. O. Eh. I got a chance to see this spread as an art show and I believe I was the only laughing my butt off. The different art styles and the stories just made me laugh too much. Being a fan of both Black Flag's Henry Rollins and Misfits' Danzig, and knowing how macho they both come off, I think just elevated this gag to another level.

Funny tales of love and adventure starring punk & metal icons Henry Rollins and Glenn Danzig. If that premise by itself doesn't make you chuckle a little, then this tome might not be your cup of tea. Every other page is packed with in-jokes and references, and the art is interesting to boot. Well worth a look if you are a fan of either artist or punk rock and heavy metal in general.

Hours of entertainment at Glenn Danzig's expense. If any two people in the music industry needed lampooning, it is these two. Even though I love their work, they both take themselves WAY too seriously. These cute little stories are good for a whole lotta giggles. The fact that Glenn is SO angry about it makes it even more enjoyable!

Some of the funniest stuff I have ever read! The schoolyard cameo of Ian Mackay the bully was a piss riot!

Funny! I am giving this to my BF for Valentines day. He will get a kick out of it.

Laugh out loud funny!!!!

Thanks!

Amazing
