# Cool Chemistry Activities For Girls (Girls Science Club)

## Synopsis

Get your science groove on, and check out these awesome chemistry projects: Fountains of flowing fun, Ooey, gooey, stress-relieving putty, Super sweet candy necklaces. Chemistry is easy when you're having this much fun!

## Book Information

Lexile Measure: 750L (What's this?)

Series: Girls Science Club

Paperback: 32 pages

Publisher: Capstone Press (February 1, 2012)

Language: English

ISBN-10: 1429680202

ISBN-13: 978-1429680202

Product Dimensions: 0.2 x 8 x 10 inches

Shipping Weight: 5.6 ounces (View shipping rates and policies)

Average Customer Review: 3.5 out of 5 starsÂ  See all reviewsÂ  (4 customer reviews)

Best Sellers Rank: #350,170 in Books (See Top 100 in Books) #49 inÂ  Books > Children's Books > Education & Reference > Science Studies > Chemistry #204 inÂ  Books > Children's Books > Science, Nature & How It Works > Experiments & Projects #2018 inÂ  Books > Children's Books > Growing Up & Facts of Life > Friendship, Social Skills & School Life > Girls & Women

Age Range: 8 - 14 years

Grade Level: 3 - 4

## Customer Reviews

only contains 5-6 very basic experiments

I bought this for my 9 year old daughter for Christmas. I thought it would be a book just for her to read since she's all about anything STEM. This book was much more than I expected it has so many actual projects for her to do. The projects are not complicated she's done about 3 of them so far and has a lot more picked out that she wants to do.

I love these books, but I wish they were not marketed just for "girls"! I have 2 girls and I feel the same way about all gender-specific marketing!!! My girls love all things math and science...

My nephew did one of the activities in this book. Should I be worried? Is he going to become a girl?
