# God's Great Covenant Old Testament Timeline And Map Set

## Synopsis

This colorful poster set includes a time line of the events of the Old Testament, and a collection of six maps, both of which also integrate the history and geography of the ancient Near East, and ancient Egypt. The time line is reversible. One side is a completed version, with all of the events and images included. The reverse side is blank, and cut-out images and events (also included) can be added to the time line as you progress through the God's Great Covenant series, making the time line interactive! There are three separate tracks so students can follow the events of The Fertile Crescent, and Ancient Egypt along with the events of Old Testament. The length of the time line stretches to 76". The large full color maps, featuring 3D illustrations, include Abraham's journey, the Exodus from Egypt, and the various stages of the Kingdom of Israel with surrounding nations. Each map is 13" by 19". This map and time line set covers the entire Old Testament, and so corresponds with both God's Great Covenant Old Testament, Book One and Book Two. ## Customer Reviews

The maps are clear and easy to read. The only thing I would suggest is that they would also be offered in a larger size.
