It involves developing a whole new strategy to overcome what seem to be overwhelming odds to attain a come-from-behind victory. In *Winning Your Wife Back Before It's Too Late*, Gary Smalley utilizes the following game plan to significantly increase your chances for a "miracle comeback": Understand "penalty flags" Open a closed spirit Honor your wife and children Develop sacrificial love Initiate change in yourself Be accountable by joining a support group Through true stories of previously separated couples, you'll see how the principles illustrated in this plan have been fleshed out in the lives of real people and can lead to a successful reconciliation. Customer Reviews

My husband didn't loose me. However, he did loose a lot of my trust, respect, energy, and enthusiasm in pursuing him as one who's reliable, trustworthy, caring, and wise to consider the true meaning and purpose of relationships, family, and friends. I tried to be sensitive in discussing this book with him. I thank God that somethings in this book doesn't apply to us, such as physical and sexual abuse between the two of us; though both of us have, in different levels, suffered such hardships in the past, before we met. We are reading it together, not before praying, asking God to open our hearts and minds to the many great and very true insights and strategies this author offers, especially for those who have reached separation, which isn't our case and we hope and pray it

won't be. I trust it's wise to read this book before things get out of hand...things get a lot more difficult when we are not careful to place important boundaries on how we allow our emotions to take over our mouths, attitudes, and behavior, which definitely leads to mutual attacks, hurt, controlling, and manipulative tendencies. At the moment, we are both trying to avoid getting to the point "of no return", although hurtful things we say to each other already qualify for going too far and beyond. Why? Although we may experience mutual regret, repentance, and forgiveness, we can never take back awful mean words we said to one another!
